MIREN. ESCUCHEN. APRENDAN.

Highway to the Global Community

The concept of a world community is taking form. The advancements in communication and transportation are shrinking the world. Our economic and social survival depends upon our ability to assimilate within this new world order.

The Foreign Exchange Program, which Fer-mi High School has actively sponsored for twenty-three years, supports the sharing of cultures. Through this direct contact with our visitors, we are able to learn from our similarities and differences. This need for understanding is paramount. The Foreign Exchange Program provides one step for our community to share in the future of the world.

Four years ago we each entered Fermi lost and confused and, yet when I look back, I can't help but smile because I've realized how far we have come together as a class.

The many moments we have shared will be held closest to our hearts and the friendships made will be cherished forever. Through all the good times and the bad, we have taught each other to be strong.

The love, support, and education we have received here at Fermi will indeed carry us into the future — wherever that may be. It has been a pleasure and honor to have been your Class President these four years.

As I say goodbye to you, my classmates, just remember the times we have shared together that have helped mold you into who you are. You are all inspirations and it is time for the world to see what you are made of. Believe in yourself, strive, and make your dreams come true. Always keep smiling . . .

Ocotal

Students in an Octotal classroom proudly display the pencils, soap, and other gifts sent by Fermi students.

Boys and girls at the Hermanos Zamora Elementary School greatly treasure the books, pencils and gifts donated by Fermi.

Continuing a tradition begun in 1987, Fermi students and staff enthusiastically carried out several projects to provide help to our fellow students and teachers in the Central American city of Ocotal, Nicaragua, with whom we have formed a strong bond of friendship and mutual respect over the years. Coordinated by Planetarium Director and POPS Advisor, Mr. Yankee, and his wife, our gifts were shipped via Connecticut "Friends of Ocotal."

As in previous years, letters and photos received from Ocotal express the delight and deep appreciation upon receiving Fermi's gifts. They tell of how educational materials help children remain in school, especially now with the increasing cost of schooling and adverse economic conditions in their country.

Once again, the Fermi Family can take great pride in knowing that their efforts continue to make an important difference in the lives of hundreds of needy children and adults in Ocotal.

Kari Lemay and Amanda Macsata are happy to send their homeroom's collection to Ocotal.

Ocotal children put those pencils to use.

Ruth Bushnell and Beth Braun bring their home-room's contribution.

Middle Left: Mike Egli and Mechilia Eng donate bars of soap to the people of Ocotal.

Middle Right: Homeroom POPS coordinators display festively wrapped pencils for Ocotal.

Ocotal teachers show their thanks for the new books.

Pep Rally

Left: Seniors show their spirit at the Thanksgiving rally.

Above: The cheerleaders lead the crowd.

Right: The Spirit Stick is awarded to the Class of 1996.

Below: And there was much rejoicing!

For the first time in many years, Fermi High School held a Pep Rally. The entire student body gathered in the gym to show their Fermi spirit and support for our fall athletes. The cheerleaders led the crowd and the band played. The Falcon was there and so was Mr. Yankee to sing the Fermi Fight Song. Did all this Fermi spirit and pride help our football team in the Thanksgiving Day game? The final outcome: A Fermi Victory! Go Falcons!

Above: The fans anxiously watch game.

Left: A time out allows for a strategy meeting.

Seniors Andy, Tony, Erica, Neil, and Mike enjoy their last Bonfire together.

The Bonfire and Dance

Right: On to the dance where students party the night away.

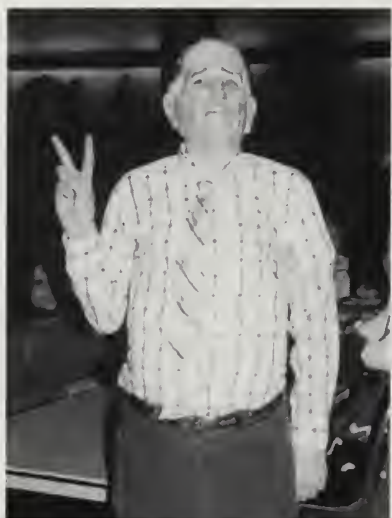

Even the Administration came out on this cold night.

Debbie Repass, Mike Nelson, Teri Vibber, and Cheryl Rogerson huddle close to keep warm.

Halloween

Every year, Fermi students and staff show their holiday spirit by dressing in costume. This year, the hallways were filled with a variety of crazy costumes including hippies, babies. Even some ex-presidents showed up to join in the fun.

Our choices for best costumes are Amy Udas and Jamie Laraway for most original, Katja Lesche for her beautiful cat makeup, and Renee Rinaldi for her awesome costumes all four years.

Top Left: "Who is this mystery man?"

Above: Even a ghouls has to eat!

Did you ever wonder where that one missing card went? Jen Nadeau knows.

You'll get a charge out of Amy Udas and Jamie Laraway's costumes.

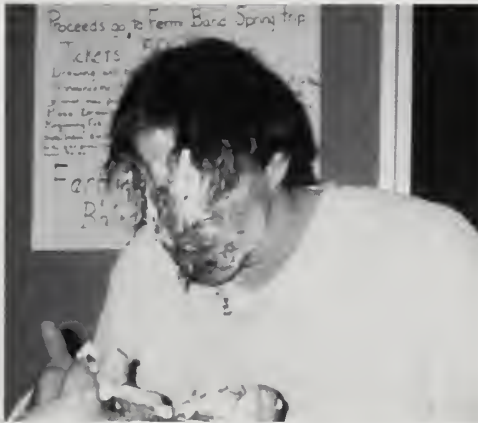

Oh, no! Meghan Quinlan has been captured by Frankenstein, Renee Rinaldi.

Pie-eating Contest

Other activities that went on this year were the pie-eating contest and the annual Santa photos. These events proved to build spirit and enthusiasm in everyone around. Although this was only the second year for the pie-eating contest, it is just as popular as the Santa photos. Both events were fun for everyone whether they participated or just watched the festivities.

Above left: As pie begins to slide off the plate, Missy Reardon wonders who's at the worst end.

Above: Matt Hebert and the other contestants dig in.

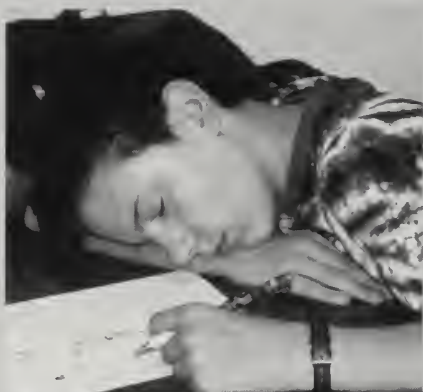

Left: Sean Walsh takes a breather.

Above: Andy Clark and Jess Robitaille tell Santa their wish list.

Right: Carrie Connelly and Sarah Dufour, along with the Fermi Falcon, share one last Christmas together.

Football

Varsity and J.V.

This year the Fermi Football Program's success cannot be measured in wins and losses. It can be said however that the program took a major step towards its future. The new football staff led by Head Coach Tom McCabe worked diligently on developing a program based on trust, hard work, commitment, and togetherness. The coaching staff's main goal was to mold a cohesive program based on these beliefs and not on threats, intimidation, or "Past Practices."

This year the Falcon Program brought in many new and young players, particularly freshmen which in essence will be the foundation that will help "Build" the program in the next few years. The Junior Varsity as well as the Varsity team played out its full schedule this year. A major goal for the program this season was to maintain three full programs at those levels.

This past season brought many changes. New attitudes, work ethics, philosophies and beliefs. Some players learned the hard way. Many who believed in the future, however saw where it was leading. They realized what the season was all about. Planting the seeds of growth and building a healthy attitude amongst its members.

In the end, the future was born and the past was buried. A stronger Falcon is about to be born and is getting ready to stretch its wings. Wins and Losses are important but you need to focus on other important aspects before you can talk about a "win." Setting the tone, watching the seeds grow and building for a competitive and consistent future was the "Falcon's" major concern this season. In that respect, this year was a good one for the "Falcon." Congratulations to the members of the team for a great season.

Cheerleading

We started our year off with a summer cheerleading camp at Emmanuel College in Boston. For the second year at UCA our squad has won the Leadership and Spirit awards, as well as many outstanding and excellent Ribbons. We had the honor of two members of our squad, Brooke Malley and Linda Stuart, being named as All-Star Cheerleaders. They both traveled to London, England to march in the New Year's Day Parade.

The football season that followed was very successful for us, and we had a lot of fun. In between the seasons we picked up seven male cheerleaders — Rob Shepard, Billy Gummoe, Vinnie Bottone, Erin Chambers, Rich Zajackowski, Kyle Twitchell and Kenny Kerr. We all want to thank them very much for all their effort, support and their willingness to try new stunts. With the addition of our male cheerleaders, basketball turned out to be an exciting experience for everyone.

To Bobbi-Jo and Jessica, our senior female cheerleaders, we all wish you luck in the future and hope you keep on cheering. And to our only senior male cheerleader, Rob, we wish you the best of luck partner. We worked hard all year long to be spirited, enthusiastic and to involve our crowd. And last but not least, we all want to thank our coach, Mrs. Malley — or better known as "Mama B," for a hardworking and wonderful year!!

Girls' Swimming

Although they came up short in their attempt to win three C.C.C. East Championships in a row, Fermi's Girls' Swim Team had another record breaking season. Freshwoman, Tammie Repass became the first girl in town history to break into the 158's in the 200 Freestyle, and Erin Quinlan came within .01 (26.01), of becoming the first girl to break the 26.00 mark in the 50-yard Freestyle. The 200 Medley Relay record was broken by Debbie Repass, Devon Aloisa, Tammie Repass, and Erin Quinlan. Although the team lost the Championship to Manchester by 6 points, Fermi soundly defeated them in the C.C.C. East Championship meet.

Several swimmers moved up to the next level with hard work, and will hopefully give Fermi the extra lift teams need to regain championship form. Jen Tiroletto, Cheryl Rogerson, and Sara Steverman all had extra special years, proving that hard work is always rewarded.

The young team must overcome the loss of several seniors who helped Fermi become a CCC powerhouse. The graduating seniors who have been 4 year varsity swimmers are Jen Stanger, Jodie Howland, and Michelle Jeffery, 3 year varsity swimmer Megan Murphy, first year swimmers Franzi, Hiroko, Dawn Sabonis, and our diver Kelly McCann will all be missed.

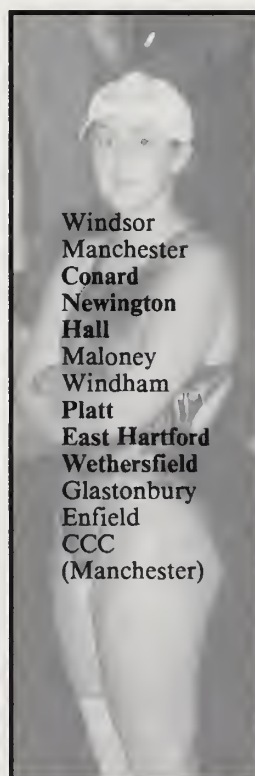

The team will have to take an extra step up to gain depth with hard work. Those looking to take that extra step up are Juniors Liz Baisley, Nicole Nieroda, Sara Steverman, Devon Aloisa, Debbie Repass, Erin Quinlan, and Cheryl Rogerson. Sophomores Katy Russell, Abbey Pelkey, Amanda Garvey, and Jen Tiroletto. Finally Freshwomen Donna Duffy, Kelly Bagley, Randy Sabatini, and Tammie Repass.

All-Star Honors were many to this hardworking group. Tammie Repass was placed on the All-State Swim Team, as well as all of the following team members being named to the C.C.C. East All-State Team; Amanda Garvey, Devon Aloisa, Tammie Repass, Debbie Repass, Erin Quinlan, and Sara Steverman. The team finished with a 9-3 record, it was an outstanding year!!

Girls' Volleyball

After winning the CCC-East League Championship 3 years in a row, the Fermi volleyball team dropped to a 9-9 record during the '95 season. Although the record was not strong enough to defend our league title, it still gained us a post-season berth, where we lost in the quarter finals to Stanford.

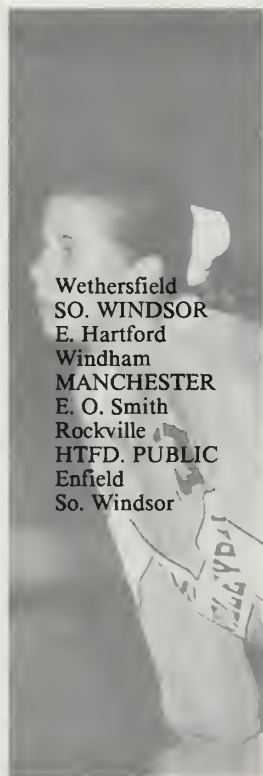

The starting six included: Amy Buckley, Erika Lenoci, Danielle Sciulla, Katie Simlick, Christie Silva and Amy Yarum. Other key contributors were Katie Martin, Melissa Mann, Michelle Roush, Gina Graham, and Marit Ebbesen. Team Captains were: Amy Buckley, Erika Lenoci, and Danielle Sciulla. Amy Buckley was chosen as an all-league player.

Boys' Cross Country

The 1995 Cross Country teams were successful in probably the toughest league in the state. The boys' team, led by Senior Captains Dave Cilley and Erik Meberg, had a 6-5 record and the girls' team, led by Captains Sarah Tkacz and Jen Quail, had a 5-6 record.

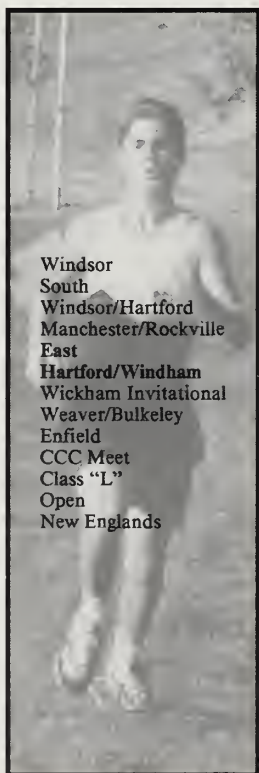

The young athlete who takes up cross country running learns about themselves at an early age. If he or she takes short cuts and doesn't train, then the results usually take their toll by the 2nd mile. Talented high school athletes can get away without training but cross country runners cannot. A runner cannot call time out if he or she feels a pain coming on nor can they stop and discuss strategy with a teammate or coach. Running is the simplest and purest form of athletic competition.

Varsity Field Hockey

With "Excellence Together" as our theme, the field hockey team rebuilt from the '94 season that graduated 12 players to return to State tournament competition. Among many memories will be the superior game played against the defending Class L State Champions, Greenwich, and the sense of achievement that comes from commitment, dedication and self-motivation for the good of the team.

An unprecedented three players represented Fermi on the Class L All-State Field Hockey team at the end of this season. They are Beth Perry, Stephanie Goguen, and two year representative, Laura Thompson. The play of these seniors, along with Elisha Schermerhorn, Mechilia Eng and Erin Tobin, were essential to putting Fermi field hockey back into State. Their leadership will be missed by all who return for 1996.

Boys' Varsity Soccer

Fermi Soccer '95 — "The Team of Firsts"

This was a tremendous year for the Fermi soccer program. The many years of dedication achieved recognition this season.

These young men accomplished a school first in the following areas:

- a) The CCC East Champs
- b) The first win in a play-off game
- c) The first Fermi soccer player from Fermi, Colin Daly to be chosen for The First Team All Hartford Courant.
- d) The first player to score seventeen goals in a season — Nick Hosig.

The team presented a united front that held their can-do attitudes throughout the season. They learned a determination that will play an even bigger role off the field in winning their personal goals. Every player was a valuable asset in the team effort and achievement. The team deserves the laurels given to them.

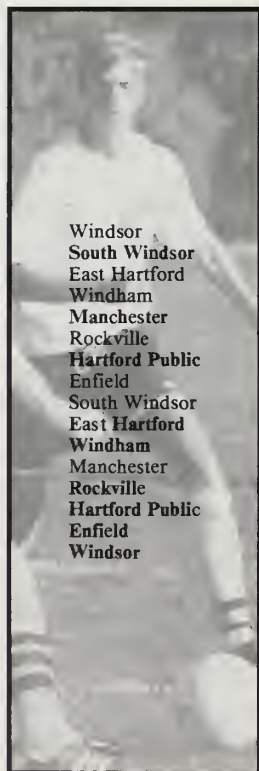

The team work ethic and the support of so many made the season a group effort. The parents and families, faculty, assistant coaches (especially Al Keenan, JV Coach), the many volunteers that contributed their time for fund raising and player recognition and their banquet, and the many fans that rallied together led by our enthusiastic cheerleaders. What a group effort!

We will miss our senior players and wish them well. Next year our goal is to continue to follow the standard they have helped to establish.

Fighting their way . . .

The Boys' JV Soccer team finished out the season with a 12-2-2 record, our finest season ever. The team was led by Team Capt. Matt Radkovich and Matt Dunne in the midfield and leading goal scorer Seth Crehan at forward. The season's featured big wins were over Rockville and East Hartford.

— Coach Keenan

(Freshman)

Fighting their way . . .

The Freshman Boys' Soccer team completed its inaugural season with a perfect record, at 6-0-0. Together with the junior varsity and varsity they proved that Fermi soccer is now a powerhouse in the CCC East.

This year 20 freshmen tried out for the team although none were cut we had 18 suit up for every game. Five of the freshmen were promoted to junior varsity, Seth Crehan, Jacob Fisher, Bobby Lash, Tom Reale, and Kevin Soucy. Every player on the squad played for junior varsity in at least three games. They are all good soccer players but most of all they are a great team.

Girls' Varsity Soccer

The Girls' Soccer team had a great season behind the efforts of two seniors, Michelle Burke and Jen Pelletier. The team finished the season tied for 3rd place in the league behind South Windsor and Manchester.

For only the second time in the school's history, the Falcons made it to post-season play and won their first round game 1-0 by defeating Norwich Free Academy. They then drew Glastonbury High and lost a hard-fought battle 3-0 against the #1 ranked team in the state.

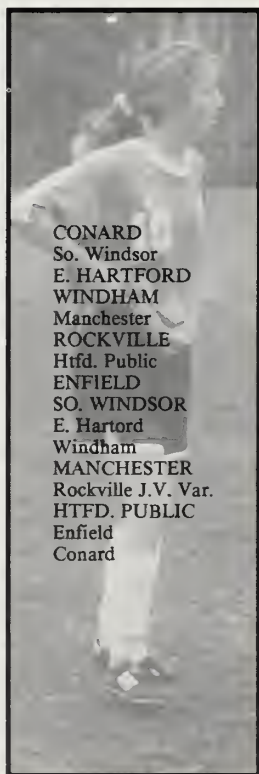

This year's team was young with a number of underclassmen starting and getting substantial playing time throughout the season. Two freshmen, Patti and Susie Woodson, were recognized by being chosen to the All-League team along with teammate Jen Pelletier.

This year's Girls' J.V. Soccer team enjoyed its best season ever, with a record of 9 wins, 6 losses, and 1 tie. The season was highlighted by two wins over rival Enfield High, and a hard fought victory against South Windsor. The team showed good balance with sixteen different players contributing to the team's scoring this season, and next year promises to be even better as the girls should benefit from their experiences this year.

Boys' Basketball

The Fermi Boys' Basketball season was one that will set the standard for years to come. The team finished the season with a 7-13 record, one win away from a state tournament berth.

The team was led by senior Tineus McCluster who averaged 17.6 points per game, 7 rebounds per game, and 3.8 steals per game. Tineus, a two year starter, was a leader both on and off the court and will be missed a great deal. Seniors Sean Neville (9.0 points per game, 7 rebounds per game) and Nick Hosig (16.4 points per game) also played key roles.

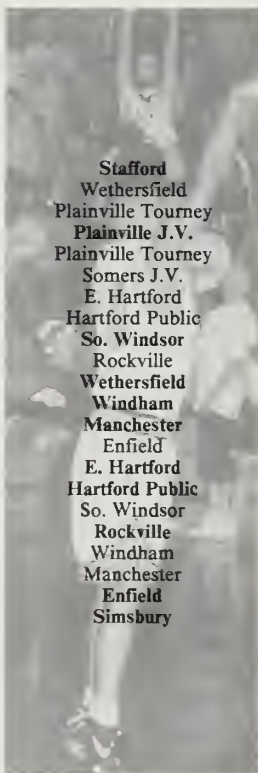

With the loss of Junior Mike Nelson for the first ten games with a broken wrist, the underclassmen had to fill the void. Freshmen Brian Tallarita (9.4 points per game) showed great maturity throughout the season. Brian's offensive ability added a great deal to the team and his defense improved tremendously. In addition to Brian, Freshmen Ryan Moszynski, Yi Peng, and Geoff Shapiro all played important parts in the success of the team. With such a young nucleus of players, the future of the basketball program appears to be very bright.

Freshman

This was a season of many highs and lows. Our biggest highs were when we won two games on the road; which one was against arch rival Enfield High. The low point of our season was a very one-sided score in a loss to South Windsor. The team has grown and learned from that defeat. We finished the season as an improved and more competitive group of young men. I am pleased to see some great talent that will be able to develop and achieve many more highs in their future play at Fermi.

Girls' Varsity Basketball

With every life situation there is struggle and growth. This growth can be seen in the determination and conviction needed to face difficult situations. Although the Team struggled in many games, their true character of never giving up always came through. Each player worked to the best of her ability during each and every game. Their efforts were appreciated by their parents and friends who supported them at the games. The lessons learned during the games in which Seniors Shannon Crough, Meredith Phelps and Erin Tobin participated should allow them to successfully meet many more challenges in their lives.

Girls' Freshman Basketball

The ninth grade team completed a great year with a 9-2 season. The team was comprised of girls who had little formal basketball experience, yet worked extremely hard to improve their skill level. As a group they were by far the hardest workin' kids I have ever coached. The season was capped off by Michele Maxellon being named the most improved player and Susie Woodson being named the MVP.

Once again the Fermi Ice Hockey team enjoyed a successful season we finished second in the CCC East with a record of 7-3, overall the Falcons were 14-7. The highlights of the season included two important wins against Rockville and East Catholic. There were also two unbelievable games, strategically, against South Windsor. Senior Matt Vacon broke the school record for goals in a season, his record — 46 goals. Senior Andy Rinaldi broke the school record for assists in a season, his record — 45 assists. We had some players that had the honor of being named to the CCC East All Conference Team, these players are Seniors Matt Vacon, Andy Rinaldi, Chris Dabek, and Garrett Vose. Mark Kluczowski, Jeffery Mickiewicz, Chris Belanger, and Steve Stauffer were also key players for our team who will be missed when they graduate. The key players who are underclassmen are going to have to fill the void of the loss of players, but with their talent there shouldn't be any problems. Good Luck to all.

Boys' Swimming

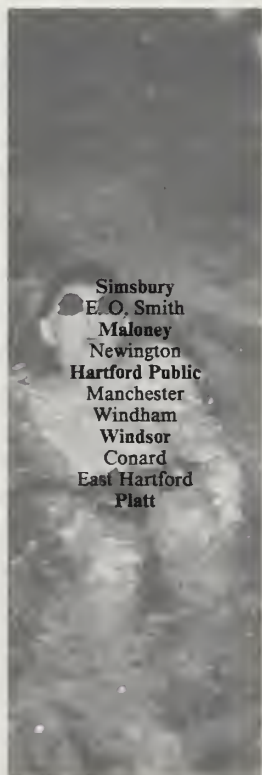

What started out as a rebuilding year for a small team, of nine swimmers, ended up a great success as Fermi defeated arch rival Manchester in a come from behind victory. Fermi was down by nine points going into the last relay, they needed to take first and second, with the top sprinter of the area anchoring the Manchester relay. The final score was Fermi 92, Manchester 91, as eight of the nine team members were part of the great finish!

At the C.C.C. East Championships, Fermi collected 14 medals for eight swimmers, 5 short of the team record 19. Led by senior captain Tim O'Connell's great freestyle finish the medley relay placed third. Tim Tyler came from behind in the 500 freestyle to place second, for a bronze medal. The 400 freestyle relay also placed third with Tim Tyler and Tim O'Connell leading the way. Tim Tyler also came from behind in the 200 freestyle to place third, as did Tim O'Connell in the 50 free.

Two outstanding additions to the swimming Falcons were junior Brenden Carroll, and freshman Tom Arcouette. Both will be among the future stars of next year's powerhouse team. Tom Clark was also a team fixture for the third year as a distance swimmer and team spirit.

Our four Seniors (Matt Hebert, Todd Rushford, Anthony Cekala, and Rob Merrill) led the Falcons to a 1st place finish in the Doug Parker Invitational and a 3rd place finish in the East Catholic Tournament. These were tremendous accomplishments considering 9 Fermi wrestlers recorded their first varsity victory this year!! Our team highlights included big victories over East Hartford, Cheshire and a FIRST EVER shutout win against Enfield 62-0. Overall Fermi had 5 Class L medalists including 1 champion, 2 State Open medalists and 1 New England medalist. The top wrestlers were:

Matt Hebert — 42-4 season record at 140 lbs.

Indoor Track

The Boys' and Girls' Indoor Track teams had excellent seasons. The girls finished with a 5-3 record while the boys were 6-2. At the CCC Championships the girls tied for 13th and the boys had a 7th place finish. Many individual and school records were established this year among them were: Brandon Carpe in the 55 meter and 300 meter dashes, the long and high jump by Martin Witruszynski, the boys 4 x 400, 4 x 800 and sprint medley relays and Christina Ngov broke the school record at 1000 meters for girls. Dave Cilley placed in the State Class L meter at 100 meters. Finally, Colin Daly had a great year winning the CCC Championships in both the 1 and 2 mile events, the State Class L meet at 1 mile and in setting a state record in the mile he was also our first State Open Champion in the mile with a time of 4:22.

SCREEN SAVERS

In "Casino," Sharon Stone plays a veteran Las Vegas hustler in Martin Scorsese's three-hour depiction of how the mob controlled and ultimately lost Las Vegas.

Considered the hottest young actor in 50 years, Brad Pitt catapulted "Seven" into a box-office smash.

Whatever! Alicia Silverstone stars in "Clueless" as a Beverly Hills princess. The hilarious summertime teen comedy is based loosely on an 1816 novel by Jane Austen.

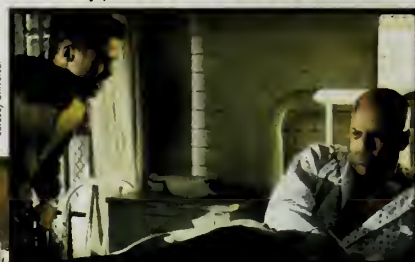

Master of laughs Robin Williams and a feast of special effects brought the jungle to life in the fanciful movie "Jumanji."

Versatile and charming, Emma Thompson wrote the script for and stars in "Sense and Sensibility," a touching comedy about two sisters falling in love.

Brad Pitt won the Golden Globe award for Best Supporting Actor for his role in the sci-fi thriller "12 Monkeys," which also stars Bruce Willis.

In "Ace Ventura: When Nature Calls," rubber-faced Jim Carrey brought fans to the box office in droves with his sequel to "Ace Ventura: Pet Detective."

Box Office

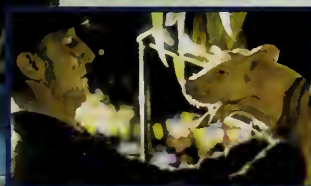

(\$ in millions)*

1. "Batman Forever," \$184
2. "Apollo 13," \$172
3. "Toy Story," \$150
4. "Pocahontas," \$141
5. "Ace Ventura: When Nature Calls," \$104

Woody the pull-string cowboy and Buzz Lightyear brightened the holiday season in "Toy Story," Disney's feature-length, computer-animated smash hit.

"Babe," a family-oriented film from Australia, features a talking pig that becomes a sheep herder and a hero among his barnyard friends. James Cromwell stars as the farmer in this delightful story of diplomacy and courtesy.

A Louisiana nun's true-life relationship with a death row inmate is grippingly portrayed by Susan Sarandon and Sean Penn in "Dead Man Walking."

Nicolas Cage won critical acclaim for his portrayal of a man determined to drink himself to death in the dark drama "Leaving Las Vegas."

Eckley/NBC

Jennifer Aniston, second from left, headed up the spunky cast of "Friends," a sitcom sensation called "the 'Cheers' of the '90s."

On "Frasier," the Crane family and friends maintained their pointed take on life in Seattle.
